

Design Guidelines
Division 9 Paint
Springfield Campus Architectural Color Palette

- Project color palette must be approved by University Architect.
- West Plains campus and Field Stations have their own color palette.
- Wall finishes shall be two coats plus primer.
- Do not provide attic stock of paint.
- Document paint colors used on project as-builts and record set.
- Typical sheens are "satin" on classroom walls, "eggshell" on dormitory walls, and "semi-gloss" on restroom walls and trim. "Flat" shall not be used in high-traffic areas such as corridors, classrooms, and support spaces, unless approved by project manager.
- Any deviations from Missouri State University's Design Guidelines should be approved with the project manager.

Due to differences in screen displays and printed materials actual samples shall be used to match colors shown here
